TEACHING

NO JOB IS MORE IMPORTANT

The *DAILY SENTINEL* believes we share the responsibility to educate our young people to become well informed, active citizens of our world.

That is why we offer our schools the **NEWSPAPER IN EDUCATION PROGRAM** as a tool for combating civic and economic illiteracy; for developing critical reading, thinking and discussion skills; for fostering good citizenship.

The **DAILY SENTINEL NEWSPAPER IN EDUCATION PROGRAM** is a unique service that links specifically designed curriculum materials with the most up-to-date textbook available, the daily newspaper.

We salute our teachers and pledge our partnership for educating young minds for tomorrow.
